TRAIN THE TRAINER

MICROTEK - DALLAS

November 6-8, 2017 · Dallas, TX

A three-day certification workshop that prepares facilitators to conduct the ***SITUATIONAL LEADERSHIP®***: *BUILDING LEADERS* program.

CERTIFICATION

Immerse your trainers in a diverse learning environment that focuses on providing participants with the tools and knowledge required to build better leaders in your organization. Our "Train the Trainer" process prepares facilitators to present information effectively, respond to participant questions and lead activities that reinforce learning. Trainers are required to attend all three days of the "Train the Trainer" in order to become certified.

SCHEDULE

DAY 1: Trainers experience the one-day *Situational Leadership®*: *Building Leaders* program as participants.

DAY 2: Trainers are led through the Leader's Guide and learn to effectively and accurately deliver the course content.

DAY 3: Trainers perform teach-back segments of *Situational Leadership®*: *Building Leaders* and receive feedback from the CLS Master Trainer.

SUPPORT

In addition to becoming certified in *Situational Leadership®*: *Building Leaders*, trainers receive the following support:

- iSitLead® Application
- Trainer Development Calls
- ***Situational Leadership®***: *Building Leaders* Facilitation Supplement
- LinkedIn Group: **Situational Leadership®** Trainers

ONE-DAY WORKSHOP

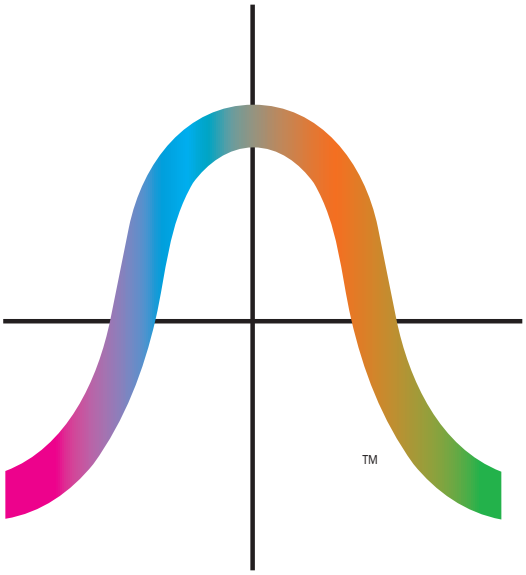
SITUATIONAL LEADERSHIP®:
BUILDING LEADERS

A FOUNDATION OF LEADERSHIP

Situational Leadership®: Building Leaders introduces participants to the **Situational Leadership® Model** and equips leaders with the necessary tools to skillfully navigate the demands of an increasingly diverse workforce and evolving global marketplace. Widely adaptable to any circumstance, **Situational Leadership®** prepares leaders to meet the moment-to-moment challenges pervasive in today's work environments.

Through a combination of instructor-led training, role-playing and skill-building activities, ***Situational Leadership®: Building Leaders*** provides ample opportunity to practice applying the core tenets of the model. Participants learn to effectively manage by immediately prioritizing broad actions into specific tasks and utilizing the tools that indicate each individual's ability to perform.

In addition, online or paper-based assessments (LEAD Self and LEAD Other) provide participants with insights into their primary leadership behaviors and the range of styles they tend to act upon.



BENEFITS OF *SITUATIONAL LEADERSHIP®: BUILDING LEADERS*

- Prepares leaders to effectively deal with any situation, opportunity or challenge
- Teaches the skills needed to determine Performance Readiness® among team members
- Provides leaders with an action-oriented framework to immediately increase the quantity and quality of performance conversations
- Enhances the work environment with improved performance and teamwork
