SITUATIONAL LEADERSHIP®: BUILDING LEADERS

COACHING TO BUILD CAPACITY

Situational Leadership®: Building Leaders introduces participants to the **Situational Leadership® Model** and equips leaders with the necessary tools to skillfully navigate the demands of an increasingly diverse workforce and evolving global marketplace.

Coaching to Build Capacity is a practice-rich, deep dive into **Situational Leadership®** that provides managers with the tools to unlock and maximize the capabilities of their teams, building their individual and collective capacity for higher levels of current and future performance.

ABOUT US

The Center for Leadership Studies, founded by Dr. Paul Hersey, is the global home of **Situational Leadership®**. For more than 45 years, CLS' solutions focus on equipping your leaders with the skills necessary to influence across the organization while driving and sustaining behavior change.
